The proposed amendment filed on 6/16/04 under 37 CFR 1.312 has not been entered. The amendment adds new 58-68 which were not previously considered and require further consideration. Further, the amendment requires more than a cursory review of the record and involves materially added work on the part of the Office. Finally, applicant failed to state why the claims were not presented earlier. See MPEP 714.16
